ABOUT OUR SCHOOL CARE SERVICES

Child Care Services Australia operates two before school, after school and vacation care services in the northern suburbs. Riverdale, School Care services approximately 25 schools in the Salisbury area.

We provide an exciting recreational based program, as we believe that it is important for children to have the opportunity to relax and enjoy their non-school hours.

We believe that each family has many aspects of their lives that would enrich our program and we encourage families to share these with us so that we may include them in our program.

Families are welcome to visit the service at any time and we welcome feedback or comments on all aspects of the service.

All of our services participate in the National Childcare Accreditation Council's Quality Assurance Program to provide the best service for you and your child.
