At Riverdale, the school siren is used to indicate emergency evacuations as well as start of day, and end of recess and lunch times.

Parents play an important role in ensuring that children are at school for the 8.45am start when home group organisation begins and the roll is taken.

If you are unavoidably late to pick up your child please ring to advise school staff whenever possible. Students remaining in the Playground after 3.20 will be brought in by the Duty teacher and calls made to families.
